**MISSIONARY DIOCESE OF
THANJAVUR- INDIA**

Fr. George Peter will speak at all Masses about the diocese of Thanjavur which sits on the east coast of South India. Its population of 7 million includes only 250,000 Catholics; the rest are Hindus and Muslims Being rural and agricultural, the diocese has a great financial burden in maintaining parishes and continuing the work of evangelization. Flood and drought are common. At present, the diocese manages numerous schools and 53 orphanages for about 2500 children who have lost one or both of their parents (the highest in all the dioceses of India). More orphans were added in the aftermath of Tsunami in 2004. We provide nursing homes, homes for the destitute, and one home for the mentally disabled run by the sisters of Blessed Mother Theresa of Kolkata. The Diocese also cares for widows and the physically disabled and the poor. Missionary works also provide evangelization to the poor, catechetical training and formation for lay Catholics from villages and mission stations, training for priests and seminarians and the building of chapels in the mission stations.

This is a unique opportunity to reach out to India as a missionary from where you are, by way of your prayers and financial support. On behalf of Bishop Devadass Ambrose, the diocese of Thanjavur, the priests and the people, I thank you and assure you of our prayers and gratitude for your generosity.
