**BIBLE STUDY PROGRAM** In our continuing study we learn that, in the time of Noah, God was forced to recreate the world because sin and evil had grown to an uncontrollable level. God purified the world by destroying sinful humanity through the great flood. God preserved Noah and his family, since they were the only righteous people remaining. This event prefigures the sacrament of baptism, where we are baptized into Christ's death, by the waters of baptism. Through Christ's resurrection we then rise up from the waters of baptism to new life, being cleansed from original sin.
