#### BIBLE STUDY PROGRAM

In our continuing study, we learn how the people of Israel asked for a king to lead them. They thus rejected God, who had led them and provided

for all their needs all through their history. The first king, Saul, was disobedient and was stripped of the kingship. God then anointed David, described as "a man after God's own heart". David had great faith and immense love for God. Under seemingly impossible odds, the young shepherd boy David slayed the enemy giant Goliath. David was the earthly king who prefigured the Messiah and heavenly king – Jesus. David used five stones hurled from a sling to kill Goliath. These stones are synonymous with the five major wounds Jesus suffered in his death on the cross. David knew that his strength and ultimate redemption came from God. Similarly we know that our strength and redemption comes from Jesus, the Son of God, through his life, death and resurrection.
