The people of Israel were conquered and taken into exile to Babylon and Assyria, because of their persistent sins against God. In this dark time, three great prophets, Daniel, Jeremiah and Ezekiel emerged with messages of hope from God. Daniel, who was exiled to Babylon, was blessed with great wisdom. The Babylonian King, Nebuchadnezzar, had a dream which Daniel interpreted. In the dream, a great statue made of gold, silver, bronze, iron and clay was destroyed by a giant stone, created "not by human hands". The original statue and its different materials represents the kingdoms that ruled during that time and the coming years (Babylon, Persia, Greece and Rome). The stone which destroyed the statue and eventually "became a great mountain covering all the earth", represents the Kingdom of God. The stone "not made by human hands" is reference to Jesus, the new Temple – our Church (the old temple was destroyed by the Babylonians). The message is clear, we must place our faith in the eternal Kingdom of God not the perishable kingdom of the world.

FAITH AND REASON LECTURE: NOT GOD'S TYPE – FROM ATHEISM TO CATHOLICISM

Thursday, March 7 – 7 p.m.

Newman Centre 89 St. George St., Toronto

Holly Ordway once thought she was "not God's type." She was an atheist professor hostile to Christianity, but discovered that following the truth led her on an unexpected journey. She shares her journey from atheism to becoming a Protestant to encountering the fullness of the truth in the Catholic Church. Her story provides encouragement and insights for those who are helping others to "come home" to the Church. Reception follows lecture. All welcome.
