## Pentecost Sunday

This weekend we celebrate the **Feast of Pentecost**, which we celebrate **50 days after Easter**. Pentecost is often called the "**birthday of the Church**." It commemorates the day the Holy Spirit descended upon the disciples and they first began proclaiming the Gospel. This marked the successful completion of Jesus' earthly mission. We should always marvel at the fact that **2000 years later the Church is still active and growing**. No other human institution has lasted as long as the Catholic Church. The permanence of the Church points to one fact, that the Church is not merely a human enterprise, but a divine one. The Church will always persist for it is constantly being guided by the same Holy Spirit that descended on the first Pentecost. As disciples, we play the important role of cooperating with the Holy Spirit to continue the work and mission of the Church. We can use our talents in various ministries to beautify and liven the activity within our parish communities. Moreover, we can invest our time in journeying with those away from the Church in an effort to show Christ's love to them. Let us strive to invoke the Holy Spirit in every aspect of our lives and continue to celebrate the greatness of the Catholic Church.
