Reflection on this Sunday's Readings

The Importance of Humility

The readings today remind us of the importance of humility, and how God loves those who are humble of heart. In the Gospel, Jesus tells us that truly humble people are those who seat themselves at the lowest seat for they do not think highly of themselves, and in doing so they are exalted. As Christians, we are called to live out the virtue of humility in our lives as we share the gifts of our time and talent – keeping our hearts free from pride and instead focused on our Lord.

— Archdiocese of Toronto - Sunday Reading Reflections

Wishing you a safe and happy Long Weekend!

Season of Creation

The annual event of **The Season of Creation** challenges the entire global Christian family to care for God's creation through prayer and action. In his message for the 10th World Day of Prayer for the Care of Creation, **Pope Leo XIV**, "denounces environmental and social injustice, noting that God's creation is not intended to be a battleground for vital resources."

The Season of Creation begins on **September 1 (the World Day of Prayer for the Care of Creation)** and ends on **October 4 (the Feast of St. Francis of Assisi, patron saint of ecology)**. This year's theme is "**Peace with Creation**" and the symbol is "**Garden of Peace**," inspired by Isaiah 32:14-18.

An introductory video and resources to observe this season at home, church and school may be found at the following links:
